If you **DO** already have an iLab account, start here.

1. Login. Click green “login” on far right to login with VUNetID and password.
2. Click blue “here” on pop up window.
3. Login with VUNetID and password.
4. To gain access to CISR, click “list all cores” on left of page.
5. Choose “Vanderbilt Cell Imaging Shared Resource (CISR)”.
6. Click “Send access request” below text box. (You do not need to type anything in the box.)
7. You should receive a confirmation once you have been added to the CISR group.
8. To go to the CISR iLab page directly, the CISR landing page is — https://vanderbilt.corefacilities.org/sc/4324/vanderbilt-cell-imaging-shared-resource-cISR-core/?tab=about
